

# STUDY CURRICULUM

(RECCOMENDED STUDY PLAN)

*For academic year*

**2024/2025**

## EXPLANATION TO THE ABBREVIATIONS USED IN THE STUDY CURRICULUM

**Credit points** – number of obtained credit points after completion of particular subject

**L** – number of hours of **lectures** per semester

**P** – number of hours of **practical classes** per semester

**E** - number of hours of **e-learning** per semester

**S** – number of hours of **seminars** per semester

**C** – credit – confirms completion of each semester in a particular subject; in some subjects needn't be followed by final examination

**Ex** – **final examination**

**STEX** – **state examination**

## EVALUATION

C – credited (credit obtained)

K – not credited

## FINAL EXAMINATION GRADING SCALE:

1 = excellent

2 = very good

3 = good

4 = fail

For optimal passing through the study, it is recommended to obtain the normal number of credit points. That means:

### 1<sup>st</sup> year

**Total number of credit points for the compulsory subjects: 59**

Normal number of credit points **obtained in the 1<sup>st</sup> year of study is 60**

**Minimum** number of credit points required for enrolment **into further segment** of study: **42**

### 2<sup>nd</sup> year

**Total number of credit points for the compulsory subjects: 59**

Normal number of credit points **obtained in the 1<sup>st</sup> and 2<sup>nd</sup> year of study is 120**

**Minimum** number of credit points required for enrolment **into further segment** of study: **110**

### 3<sup>rd</sup> year

**Total number of credit points for the compulsory subjects: 55**

Normal number of credit points **obtained in the 1<sup>st</sup> - 3<sup>rd</sup> year of study is 180**

**Minimum** number of credit points required for enrolment **into further segment** of study: **170**

### 4<sup>th</sup> year

**Total number of credit points for the compulsory subjects: 53**

Normal number of credit points **obtained in the 1<sup>st</sup> - 4<sup>th</sup> year of study is 240**

**Minimum** number of credit points required for enrolment **into further segment** of study: **230**

### 5<sup>th</sup> year

**Total number of credit points for the compulsory subjects: 56**

Normal number of credit points **obtained in the 1<sup>st</sup> - 5<sup>th</sup> year of study is 300**

**Minimum** number of credit points required for enrolment **into further segment** of study: **290**

### 6<sup>th</sup> year - State Examination Requirements

1. Completed prestate practise for the respective program
2. Before the last state exam student needs to have all 1. – 5. Year study requirements completed
  - at least 360 credit points in the system
  - all compulsory subjects (all prestate practises included)
  - at least 18 credit points from electives
3. Once all above mentioned requirements are met, student will be asked to register the last state exam in SIS by him or herself.
